

TOUR OVERVIEW

Located in the middle of the Pacific Ocean, Easter Island is one of the world's most remote and fascinating destinations. Known for its mysterious Moai statues, volcanic landscapes, and rich Polynesian heritage, the island offers a truly unique travel experience unlike anywhere else in South America. This journey invites travelers to explore the cultural and archaeological wonders of the island while discovering breathtaking coastlines, volcanic craters, ceremonial sites, and traditional Rapa Nui culture. From the iconic stone statues scattered across the island to dramatic ocean views and sacred historical sites, every location reveals part of Easter Island's extraordinary history. Travelers can visit ancient archaeological complexes, relax on white-sand beaches such as Anakena, and experience the traditions and stories of the Rapa Nui people through local culture, gastronomy, and guided excursions. Perfect for culture lovers, history enthusiasts, and adventure travelers, Easter Island combines mystery, nature, and Polynesian heritage in one unforgettable destination.

Easter Island Explorer – Moai Statues, Volcanoes & Polynesian Culture This experience is designed for travelers seeking a deeper connection with the history, culture, and landscapes of Easter Island through carefully selected archaeological and scenic explorations. Guided excursions take travelers across the island to discover iconic ceremonial platforms, volcanic craters, ancient villages, and the famous Moai statues that have fascinated visitors for generations. Highlights include visits to Ahu Tongariki, Rano Raraku quarry, Anakena Beach, and Rano Kau volcano, where dramatic landscapes combine with the island's rich cultural heritage. Travelers also have opportunities to explore the local town of Hanga Roa and experience authentic Rapa Nui traditions and cuisine. The itinerary balances cultural exploration with moments of relaxation, allowing travelers to fully appreciate the island's peaceful atmosphere and extraordinary scenery.

DAY 2

Puna Pau Akivi - Tahai

15:00 PM Tour Sector Akivi (Puna Pau. Akivi - Tahai) - Regular: We will start at the Puna Pau quarry, where the iconic headdresses of the moai, such as the Pukao, were carved. Then, we will visit the Ahu Akivi or Ati'u platform, a restored sector that houses seven moai of equal dimensions, aligned towards the sea and oriented in a special way during the equinoxes. We will finish at the Tahai ceremonial center, where you can explore three restored platforms: Ahu Tahai, Ahu Vai Uri and Ahu Ko Te Riku, which combine history and contemporary archaeology. Includes: Transfer to and from the accommodation - Duration of 3 hrs approx. 20:00 PM Dinner and Show Tera' Ai - Regular: A show that combines the best of typical Paraguayan gastronomy with a vibrant sample of traditional folkloric music and dances. In a warm and festive atmosphere, visitors will enjoy a buffet dinner with authentic flavors of Paraguay: delicious dishes such as Paraguayan soup, chipa guasu, mbeju, local-style meats and homemade desserts, accompanied by drinks and typical drinks. During the evening, local artists provide a colorful live show that includes traditional dances such as the galopa, the Paraguayan polka and the emblematic bottle dance, as well as music performed with harp and guitar, in a celebration that pays tribute to the country's cultural identity. The Tera'ai Dinner Show is the perfect opportunity to connect with the history and spirit of Paraguay, in a night full of joy, flavor and emotion that will be engraved in the memory of each visitor

- ✓ Anakena
- ✓ Rano Raraku

DAY 8

Orongo Sector Tour.

09:00 AM Orongo Sector Tour (Vinapu - Orongo Village - Rano Kau) - Regular: This tour delights both for its history and for the magnificent views offered by one of the most beautiful and deep volcanoes in all of RAPA NUI. The tour begins at the VINAPU archaeological site, whose stone constructions account for the techniques of the natives to work the volcanic rock. In addition, there are several remains of destroyed moai, which were demolished in the eighteenth century during internal wars between clans. Continue the journey at the viewpoint of the RANO KAU Volcano, which hides a true sanctuary of nature in its amazing crater. The route ends at Caleta Hanga Piko, which means Hidden Bay. This sector is associated with a ceremonial complex made up of the Ahu Ataranga, Ahu Ana Hoto Huero and Ahu Riata platforms. This place was very important in the nineteenth century, since the sheep company Williamson Balfour signed the lease of the island with the Chilean government, turning this bay into a port, to facilitate the tasks of transporting goods with the mainland. *The tour does not include a visit to the Ana Kai Tangata cave due to the danger of possible collapses. Includes: Transfer to and from the accommodation - Duration of 3 hrs. approx.Shared Transfer from Hotel Tahai Loft to Mataveru Airport with Traditional Easter Farewell - English Driver OnlyFlight departure at 15:25 PM from Rapa Nui / Arriving at 22:00 PM in SantiagoContinue your journey with an optional extension to Torres del Paine or Puerto Varas.
